

DHRUV J. BAGDA

Computer Engineer

+91 6354000874 bagdadhruv@outlook.com

ABOUT ME

Computer Engineering graduate with hands-on experience in EV HMI systems, embedded technologies, and startup ecosystem operations. Worked on digital console development for electric vehicles and supported startup incubation initiatives at i-Hub Gujarat. Interested in embedded systems, robotics, AI-driven devices, and cyber-physical product development.

EDUCATION

2020 - 2024	Bachelor of Computer engineering I completed my undergraduate program in Computer Engineering at ADIT, where a rigorous academic environment helped build a strong foundation in computer science and engineering, enhancing my technical, problem-solving, and analytical skills.
A.D. Patel Institute of Technology, Anand	
2018 - 2020	Higher Secondary Education (Science Stream) I pursued the Science stream in 11th and 12th grade, which nurtured holistic development and strengthened my foundation in Physics, Chemistry, and Mathematics, along with problem-solving and analytical skills.
Sigma school of science	
2016 - 2018	Secondary Education I completed my 9th and 10th grades at ANS in a boarding school, where the structured academic setting nurtured holistic development and built a solid foundation across core subjects, while enhancing my curiosity, discipline, and problem-solving abilities.
ANS, Amreli	

EXPERIENCE

JUL 2024 - JAN 2025	Market Research Intern On-site Assisted in startup screening and data research for seed funding programs like the Surjan Grant. Communicate with stakeholders of Gujarat's startup ecosystem.
i-Hub Gujarat GOG	
JAN 2024 - APR 2024	HMI development Intern On-site Assisted in HMI workflow design and digital console interface development for EV two-wheelers.
Ecoindia Electromach PVT. LTD.	

TECHNICAL SKILLS

- C language
- Embedded system
- Frontend development
- UI/UX Design

SOFT SKILLS

- Stackholder communication
- Team coordination

DOMAIN EXPOSURE

- EV Technology
- HMI Systems
- Startup ecosystem
- Market Research

TECHNOLOGIES / TOOLS

- Figma
- ESP8266
- Git
- HTML/CSS

PROJECTS

- Smart home automtion
- GinBox
- <https://partyverse.space>

ADDITIONAL INFORMATION

Languages: English, Hindi, Gujarati

Recognized as Best Cadet in NCC (7th Grade) for leadership and discipline. Participated in national/university-level hackathons. Pitched startup ideas under SSIP at ihub & college for potential funding support.
